Our Presentation Services

PRESENTATION DESIGN /FORMATTING

This is the most popular treatment. We will recreate the elements, diagrams, and graphs. The starting point is usually slides that are either just text and drafts. You could say this is a complete renovation where we replace old furnishings with new ones and rearrange them to make them look better. We can also format your existing slides to make them look super-professional and turn them from mediocre to mind-blowing.

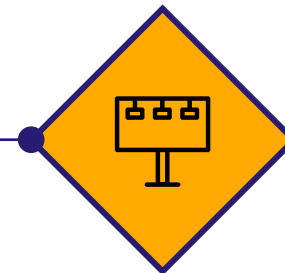

INFOGRAPHIC DESIGN

Infographics help to convey complex ideas in a simple and easy-to-grasp format. We build high-quality graphics that are impactful, easier to understand and much more effective than words or pictures.

BRANDING AND PACKAGING DESIGN

We offer custom social media design services & wide variety of logo designing services to support your branding activities. Packaging designers can help you receive informative and attractive designs. Be able to rise above your competitors and deliver a clear message to your targeted audience. Let your marketing strategy take a leap and attract a meaningful audience.

CONTENT WRITER

We have expertise in Content writing to create informative and engaging articles to help brands promote their products. The priority is problem solving, along with perfect grammar and vocabulary, whilst also keeping in mind Research skills, Content Strategy, and Impressive Creative Writing.

Meet Our Happy Clients

MasterRV worked on designing of content for us. She delivered designs that were clean, classy and neat. She delivered over 700 slides for us in record time. If anyone needs professional slide making - no need to hire a content designer - use Rohini.

Rohini is a sincere, diligent and expert professional in managing your presentation needs. Once you have a vision or brief about the deck you want to create, once you engage, she will manage the rest with speed, precision and creativity. And she provides great value for money!

Rohini is very creative and her works are unique. Worth working with her on content development for corporate affairs projects where you want to excite your customer with creative ideas.

I had engaged services from MasterRV Designers & I must say that MasterRV Designers has been extremely professional & customer centric in her approach. Also, the finished product (here in case, the presentation) was absolutely fabulous & very well accepted by a large & diverse group of IT Leaders whom I presented this to.

Would highly recommend to use their services.

MasterRV Designers is an extremely talented company who runs a group of extremely competent professionals individuals. They are into PowerPoint development and do an awesome job at sprucing up presentations. MasterRV Designers is extremely customer focused and goes the extra mile to deliver on her commitments. All the best to MasterRV Designers for many more successes.

Rohini was very professional and quick to support us on our corporate ask - we had the slides all done in a perfect and fast way. She's very good at what she does and would recommend her to most corporates who don't have the time to build on quality slides. All the best Rohini - I know you will do just great in this endeavour !!
